Broken Appointment Policy/ Form**

You are important to us and we want to provide you with the best possible service. Our staff is working hard to provide quality medical care to all our patients. Our appointment schedule is always filled far in advance. Broken appointments waste valuable time for other patients who are trying to get in for treatment.

To be able to best utilize the available time, we have the following policy.

Broken Appointment Policy:

Any patient who breaks two (2) appointments within a six month period will be seen on an emergency basis only, as determined by the triage nurse, for six months.

You will receive a broken appointment if:

1. You do not appear for an appointment.
2. You are more than 20 minutes late for your appointment.

Confirming Appointment:

I hereby give my consent for the medical staff to call and confirm my medical appointment, by contacting me at my daytime phone number. If I do not wish to be contacted at this number, I will provide an alternate means of contacting me.

Day time phone # _____ Alternate # _____

I understand it is my responsibility to notify this office before my appointment time if I am unable to keep my appointment.
